I need OPPT to do this. I'll ask Jeff and Tala.

Alex,
I think most of the issues are in the OPPT space, albeit one pesticide witness. Have you tagged someone to take the lead for this or are you doing it yourself?

Aaron, thank you for the guidance this afternoon. Per our conversation OCSPP will develop a draft letter to the chairman and ranking member of the committee holding the hearing providing EPA's perspective on worker protection issues. We will have this letter to you in draft by the end of the day on Monday.
Thank you

Also, looping in the OPA team. Might be worth having a press statement in the hopper refuting a lot of what we know is going to come out of the hearing for release right before it begins or immediately afterwards.

Alex, let's discuss today when you have a moment. Looping in Troy as well.

Thanks!

I'm presuming they would want us to have something—the scope is looking pretty broad. Aaron can provide further details-looping him in.

So far I'm hearing it will be:
Teachers union- PCBs, lead in schools
Firefighters- PFOA
UAW-framework rules
Academics (likely David Michaels)
United Farmworkers- pesticides

I'm checking with OCR I would like to have a statement or some document that we could produce providing our point of view on the subject of the hearing.

My understanding is that they don't intend to invite EPA.
